LOCATION

Our Nursery is located at Thomasville, Ga., at the City limits, and visitors are accorded a hearty welcome any day in the week.

PRICES

All prices are net, and this list cancels all previous quotations.

TERMS

20 per cent with order and balance when trees are ordered out.

STOCK ON HAND

The varieties named in this list represent the stock that we have on hand, and quotations are made subject to prior sale. It is therefore best to name a second choice in your order. Orders are accepted subject to unavoidable injury to stock.

CLAIMS

All claims shall be made within five days after receipt of trees.

TRANSPORTATION

All expense of freight paid by purchaser. No charge is made for packing or crating. Our responsibility ceases on delivery of goods in good order to carriers.

PLANTING SEASON

Trees may be set from November 15th to March 1st,

and our trees having a good root system live well when properly handled. We do not guarantee trees to live. The roots should not be exposed to the sun or air but should be kept wrapped until hole is ready to receive them

VARIETIES

FROTSCHER—Large, thin shelled and easily cracked. Heavy bearer; flavor good. A handsome grower. A very fine nut.

STUART—Large to very large, fills well, shell medium, quality good. It grows over a large area and is well known commercially. Very prolific and popular wherever known. One of the most reliable.

MOBILE—Oblong, thin shelled, large and easily cracked. A heavy bearer and a pretty nut. Flavor good. This nut has surprised the public in bearing so heavily, and is a popular seller.

SCHLEY—Oblong, very thin shelled, medium to large in size. Extra good flavor. Trees are symmetrical and handsome. Fairly prolific; fills well. Popular and well known.

DELMAS—Large, shell medium, quality fair. A vigorous grower and early bearer. Variety well known and nearly every nut grower wants some of this variety in his orchard.

TECHÉ—Medium size; very heavy bearer, and fruits every year. Kernel good; Cracks well.
